CURRICULUM VITAE

PATRICK KARANJA

Creative Marketing Communications Specialist

Professional Summary

Creative and results-driven Marketing & Communications Specialist with over 8 years of experience leading strategic communications, branding, and digital campaigns across public, private, and development sectors. Skilled in translating complex programs and policy initiatives into clear, compelling narratives that drive visibility, stakeholder alignment, and measurable impact.

Proven track record in elevating national programs such as the **Ajira Digital & Kenya Youth Employment & Entrepreneurship Program (KYEAP)** & **Kenya AI Skilling Alliance (KAISA)** through integrated campaigns, strong visual storytelling, and effective brand systems that increase engagement and adoption, working with global partners including the **Mastercard Foundation, Microsoft, GIZ, Challenge Fund for Youth Employment, and African Development Bank** to deliver large-scale youth employment and digital skills initiatives.

Combines strategic thinking with hands-on execution across content, design, photography, and videography to deliver high-quality communication that supports program growth and impact.

PROFESSIONAL WORK EXPERIENCE

Kenya Private Sector Alliance (KEPSA) Nairobi, Kenya

Creative Marketing & Communications Specialist

Lead strategic communications, branding, and creative direction for National youth employment and digital economy programs :
Ajira Digital & Kenya Youth Employment & Entrepreneurship Program (KYEEAP) & Kenya AI Skilling Alliance (KAISA)

- Lead communications, branding, and creative direction for national youth employment and digital economy programs, ensuring clear messaging and strong visibility.
- Turn complex program and policy work into simple, engaging content that speaks to youth, employers, and partners.
- Plan and run multi-channel campaigns for key programs like **Ajira Digital Program and KYEEAP**, driving awareness and participation.
- Work closely with partners such as **Mastercard Foundation, Microsoft, GIZ, Challenge Fund for Youth Employment, and African Development Bank** to align messaging and program visibility.
- Lead design and production of content including reports, infographics, social media assets, and motion graphics to support campaigns and stakeholder engagement.
- Handle photography and videography for major events such as the **Devolution Conference, Connected Africa Summit, Africa Trade Expo, and Nation Digital Summit**, capturing content for media and digital use.
- Create impact stories and visual content that show real results from programs and make them relatable to different audiences.
- Support policy and private sector engagement by packaging insights and opportunities into clear communication materials.
- Manage and grow digital platforms (LinkedIn, X, YouTube, Facebook, WhatsApp), using data to improve reach, engagement, and results.
- Use tools like Adobe Creative Suite (Photoshop, Illustrator, InDesign, Premiere Pro, After Effects) to deliver high-quality creative work across all channels.

Swvl Kenya (Digital Public Transport Company - Based Egypt/Dubai) Nairobi, Kenya

Multiple Organizations
Jun 2013 – Dec 2018
Nairobi, Kenya

Graphic Design & Production Specialist

Developed a strong foundation in visual design & production, delivering end-to-end creative solutions across print & branding while ensuring quality, consistency, & effective communication of client & business objectives.

- Built a strong foundation in visual communication, brand execution, and production design across print, corporate, and media environments.
- Designed a wide range of communication materials including brochures, packaging, marketing collateral, signage, and advertising assets, ensuring clarity, consistency, and visual appeal.
- Developed hands-on expertise in end-to-end design processes from concept development and client briefs to final production and delivery.
- Collaborated with cross-functional teams to translate business and marketing objectives into effective visual solutions across multiple industries.
- Gained practical experience in print production, material selection, and quality control, ensuring high standards in final outputs.
- Strengthened skills in brand interpretation and consistency, working across diverse client needs and organizational contexts.
- Progressively evolved from execution-focused roles into strategic and creative thinking, forming the foundation for advanced marketing and communication expertise.

Key Impact:

- Delivered consistent, high-quality design outputs across multiple sectors including manufacturing, media, and corporate environments.
- Established a solid technical and creative base that enabled transition into high-level strategic communication and campaign design roles.
